

I fiercely oppose
Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election.
Sinclair uses the
public airwaves free
of charge, and is
obligated by law to
serve the public
interest, and our
interests are
clearly not served
by getting
one-sided, biased
information because
large companies
control the
airwaves. Our
airwaves should
instead feature more
important issues in
our communities and
substantive news.

I have always been a
proponent of more
strict regulations
on large companies
in the media, and
Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them.

Thank you,
